## SUMMARY

Frontend Developer with a strong foundation in building dynamic, responsive, and user-centric web applications. Skilled at creating intuitive interfaces, improving performance, and ensuring seamless user experiences across diverse projects. Passionate about clean code, scalable architecture, and delivering high-quality solutions, while continually improving skills and staying open to learning new tools and techniques for better results.

## EXPERIENCE

### Frontend Developer

#### SparkXplorer

February 2025 - Present

- Develop and maintain dynamic, responsive web applications, delivering seamless, interactive user experiences.
- Collaborate with designers and backend teams to build reusable UI components and integrate APIs, streamlining frontend functionality.
- Enhance performance through server-side rendering (SSR) and static site generation (SSG), optimizing load times and SEO.
- Contribute to frontend architecture, ensuring scalability, maintainability, and clean code standards across projects.

## PROJECT

### RideXpress (Ongoing Project)

- Built a responsive booking interface where users can browse available trips with details like route, price, and seats.
- Implemented secure authentication with email/password and Google login using Supabase Auth.
- Developed role-based dashboards for users and admins, ensuring tailored access and functionality.

### ClassroomHQ

- Implemented full CRUD functionality for student profiles, including inline editing of grades and attendance tracking.
- Enabled real-time search and filtering of students by name, performance, and attendance status.
- SPA navigation and set up mock authentication (login/logout) for session simulation.

### VentSphere

- Built and developed a modern, responsive landing page for Venstphere, a platform supporting startups with funding and strategic guidance.
- Developed an intuitive and mobile-first UI to ensure seamless browsing across devices.

## EDUCATION

### B.Sc. (Ed.) Business Education

University of Ilorin • Kwara, NG • 2023 • SECOND CLASS HONORS (UPPER DIVISION)
